## Incident Management Resources on *LLIS.gov*

### A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

*Lessons Learned Information Sharing (LLIS.gov)* is a U.S. Department of Homeland Security/Federal Emergency Management Agency program. *LLIS.gov* serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency management and homeland security communities. This information and collaboration resource helps first responders, emergency managers, and homeland security officials prepare for, protect against, respond to, recover from, and mitigate terrorist attacks, natural disasters, and other emergencies. *LLIS.gov* provides Federal, State, and local officials from all disciplines with a wealth of information and front-line expertise on effective planning, training, and operational practices.

#### *LLIS.gov* at a Glance

- Online since April 19, 2004
- Over 19,000 documents, including state and local plans, after-action reports, and exclusive lessons learned
- Secure community Channels, forums, messaging, and other collaboration and networking tools
- Targeted information on homeland security and emergency management topics

### CONTENT AND FEATURES ON *LLIS.gov*'S INCIDENT MANAGEMENT PAGE

The *LLIS.gov* [Incident Management](#) page is a one-stop resource for information related to the theory and practice of incident management. This topic-specific page offers a searchable directory of incident management-related documents. Additional page features include:

- *LLIS.gov* exclusive content about incident management issues;
- NIMS implementation resources;
- Incident management forum;
- Information about incident command, resource, and site management; and
- Links to related external Web sites.

### LLIS.GOV FEATURES

#### One-Stop Document Resource

*LLIS.gov*'s comprehensive library contains documents that cover all hazards, all disciplines, and all levels of government and the whole community.

- Full plans, templates, after-action reports, articles, guidelines, best practices, and other documents
- Short summaries, exclusive to *LLIS.gov*, highlighting best practices or innovative ideas submitted by members that could work in other jurisdictions
- Subscription-only email update listing new documents within discipline and topic areas

#### Collaboration Tools

*LLIS.gov* provides collaboration and networking tools to enable members to speak directly to others involved in emergency management. These *LLIS.gov* tools include:

- Member Directory;
- Topic- and community-specific Channels;
- Message Boards with member forums;
- Secure Messaging; and
- Document and idea submissions.
